From the President

WOW!!!! What a difference a month makes! There are leaves on the trees, archery leagues are in full swing, lots of Quarter Midgets on the track and WHRRI has put race weekend #1 to bed, and by the time you read this, Race #2 will be probably be on the books! Last, but not least, our shooting ranges are seeing a lot of action too, so I think it's finally time to put the ice melt away for another season.

Next on the agenda for housekeeping: The mowing crew needs help with weed whacking. Contact the office if you can help out.

Next: A friendly reminder to pick up after yourselves when on the ranges! No one gets paid to pick up after you!!!

Next: In case you haven't already heard, we are in need of a bookkeeper in the office who knows how to use Quickbooks. If you know of someone who might be interested, have them contact the office.

Still looking for help with steak fries! Not just on meeting night, but also at our many special event steak and shoots. Contact the office if you can help out.

As always, I hope all of you get a chance to get out in a boat this summer in the middle of a peaceful lake, and experience true tranquility, hope to see you there!

"The Bite"

We had a FANTASTIC Jr Sportsman's day. The Fish and weather were very good to us. All the kids caught something and there was phenomenal support from the fishing club.

My hat is off to the boat Captains and mates who worked so very hard. Imagine taking 3-4 kids (and a few parents) out on the lake with fishing poles in their hands! And doing that 6 times in one day. Those folks are my heroes.

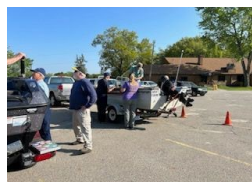

Ladies Adventure day is June 1st. We're taking the GIRLS fishing. We can use a couple of helpers at the fishing site and on the boats. Guess what? Those Boat Captains and mates have to do it all over. Good grief! They must be Saints. Hopefully the fish and weather will bless us again.

The Sub club charity challenge is this General Membership meeting. Bring your Aluminum to the side door of the indoor range house for weigh in starting @ 6pm. The club with the most weight gets to choose the charity.

Summer fishing is really kicking in, so get out there and catch a few fish sandwiches. I'll help you eat em...

We meet on the 3rd Wednesday of the month at 7 PM in the main clubhouse. It's a fun group with a great bunch of people who know a lot about different styles of fishing. If you're interested or think you know somebody who may be, please come out to an Oakland County Sport Fishing Club meeting, the 3rd Wednesday of the month @ 7PM.

Desert Angels at work at OCSC

Our next packing party is Thursday, June 20, 4 - 6pm

Friends, thank you SO much once again for all the care packages and love you've been sending us - Thank you, and please keep up the great work! Truly amazing, and words can't describe the love and patriotism you show ...

My name is Ana and I'm the new point of contact for donations to the 379th ERPSF in this new rotation. I am actually reaching out to you on behalf of the 379th ERPSF, En Route Patient Staging Facility. Our Mission is to care for wounded warrior patients that are awaiting transport from the AOR to a higher echelon of care. We care for all service members to included DOD. We would love to have donations sent for the patients that need **toiletry items, t-shirts, hair brushes, quilts, and snacks** as they wait for further medical transport.

At the next packing party we will be collecting and shipping to the 379th Patient Staging Facility. They need toiletry items, t-shirts, hair brushes, quilts, and snacks as they wait for further medical transport.

Here are some letters from our recipients!

Dear Desert Angels,

Thank you! Your generous donation is greatly appreciated. The soldiers here in Lithuania have already been digging in the hygiene kits and games. It is always a fun when care packages arrive and soldiers get to make use of all the goodies. You and your volunteers are all very much appreciated.

Mary, April 2024

Desert Angels Volunteers

A big thank you for the wonderful care packages for our troops. They love everything! The snacks and personal items are really appreciated and provide a "touch of life back home." For our soldiers who may not receive packages from friend and family, this is a real treat. The thought of knowing that people cared enough to buy, pack, and send items overseas is pure kindness. Please accept our heartfelt thanks and appreciation!

From your friends in Vicenza Italy, May 2024

WATERFORD HILLS ROAD RACING (WHRRI) STICKY TIRES NEWS LETTER

Our business is racing, and we are again open for business! We have had 2 Open track days, Driver's School and Race Weekend 1 so far. Everything has gone well, with the exception of me spilling a line of oil on the track before I could pull onto the grass. Race Weekend 2, a joint race with the Detroit SCCA, is coming up quickly and promises to fill the track and the newly paved paddock.

Ron Krantz, our Facilities Director, deserves a special shout out. He has again almost single handedly delivered a first quality paving job. From researching the best methods to getting bids from multiple paving companies to critically evaluating the result from the pavers, we now have beautifully paved paddock roads. Thank him when you see him!

The Archery Club is planning a concert, "Rocking at the Racetrack" as a fund raiser after our August 24 race day. Sabrina Borth is in charge of the planning. It will take place on the hill and feature the band Whiskey Business. Our Board has discussed this, we see an opportunity to bring new spectators to our races and to help out a fellow subclub. I look forward to seeing the result of her hard work. It should be fun!

John and Gina Grembowski grilled for us after our Saturday race. I missed it because I was out buying oil dry to replace our stock after my incident mentioned above, but I only heard positive things about their efforts. We need others to volunteer to man the grill!

I will again extol the virtues of participating and volunteering at our Club and especially OCSC. We are a bunch of intelligent, talented people and our input will be an asset wherever we volunteer it. Please consider donating your time, we need it. This is our club, your participation is as valued as it is necessary.

See you at the track!

SHOTGUN CLUB MEETING

The next Shotgun Club meeting is Tuesday, June 25th @ 7:30 p.m.

Michael Graham
President
OCSC Shotgun Club

Wyatt Potasinski has completed the NRA requirements to be recognized as an Expert rifleman. He is a junior at Oxford High School where he carries a 3.7 GPA. He doesn't start shooting until November every year, as he participates in Marching Band and Wind Ensemble playing trumpet, and both tenor and baritone saxophones. He is in the middle of his Eagle Scout project and works part time as a physical therapy technician. Wyatt plans to attend MSU after high school.

Congratulations to Wyatt.

The Clan of the Wolf

In the year of our Lord 1994, our friends Danny Holcomb, Bill Gruber and Jim Teets began what became a yearly tradition that survives to this day...

"The Trade Gun Round Robin." (A Trade Gun is defined as a Flintlock Smoothbore of .54 caliber or larger, with no rear sight)

The clubs who were initially involved were the Clinton River Muzzleloaders of the Detroit Sportsmen's Congress, The Attica Muzzleloaders at Lapeer County Sportsmen's Club, and the Clan of the Wolf at the Oakland County Sportsmen's Club.

The shoots travel from club to club beginning in January and continue through April. Period clothing is required to participate, and the course consists of 12 round ball targets, 4 clay birds, knife and tomahawk throwing, and timed fire starting with flint and steel.

Since the days of the TGRR inception, more area muzzleloading clubs have joined the fun... the boys from Multi Lakes, Blue Water, and Lansing Muzzleloading Gun Club all now compete.

Shoots take place on Saturdays and the host club provides participants with a hot fire and a warm meal. Each club has an equal say in setting the rules. This is truly a unique and interesting event each year. Participants display period clothing that would please even the most exacting of historians.

As he has in the past, Attica member George Boisenau provided the TGRR with the top aggregate prize which was the most beautiful powder horn ever made

Thirty years of friendly competition among Buckskinners... its a beautiful thing.

Junior Sportsmen's Adventure Day

May 4, 2024

We had a picture-perfect day for the 17th Annual Junior Sportsmen's Adventure Day.

When the kids arrived, they were excited to go to the events. By the end of the day, they were tired. But they all were telling great stories of their adventures throughout the day.

All the attendees appreciated the programs that the sub clubs put on throughout the day. And a special thank you to the Michigan Treasure Hunters running one of the events. The kids really enjoyed learning how to use a metal detector.

I would like to thank the following people and organizations for their support that helped make this event so successful.
