

All summer outdoor shooting activities are off to a bang! (gun joke).

Recently completed the Steel challenge Level 2 match and it was a huge success. OCSC was a showcase for the match and didn't disappoint as many shooters complimented us on how nice everything was during the event. Special thanks go to Mike stailey and Eric Larsen for their tireless efforts to make this a great success. Thanks guys!!

All 5-gun raffle tickets were sold, thanks to Warren Pratt for his sales efforts (60 plus tickets). He has potential!!! Thanks everyone for your support!

Have a great 4th be safe!!!
